Winemaker's Comments

"This wine is cherry-red in colour with shades of violet. Its aromas are reminiscent of red and black fruits, with slight complexity occasioned by spices such as vanilla, cinnamon and cloves. Its youth also reveals scents of dried flowers and cypress. It enters the mouth with agility, breadth, great volume and a tasty balance that expresses its youth very well. It has great character, revealing the strength and elegance of the Cabernet Sauvignon and showing some delicious tannins like bitter chocolate from the Cabernet Franc. It ends with the fresh flavour of sour cherries associated with the Carignan and a slightly smoky sensation contributed by the Syrah. Its balance is very complex and it will have a long life in the bottle". Pablo Morandé, Winemaking Advisor - Specialities.
